

2021 Town Wide Revaluation Information: How to View Your Letter and Respond

In accordance with standards set forth by the State of New Hampshire Department of Revenue and Assessing Standards Board, the Town of Acworth, in conjunction with Municipal Resources, Inc. (MRI), has completed a reassessment of all properties to equalize assessments at fair market value as of April 1, 2021.

The 2021 Preliminary Assessed Values were developed by market analysis covering two years of property sales with the Town of Acworth. Letters containing the Preliminary Assessed Values will be mailed out to property owners the week of July 26, 2021.

Valuation books will be available for public viewing Town Hall and will be posted online at the Town website.

If you have questions or feel the preliminary assessed value does not reflect market value, you may schedule an informal assessment review hearing with an MRI staff member.

Hearings are held by appointment only and will be held in person, by phone, and through Zoom. **Hearings will be held August 10, 2021, through August 16, 2021. The deadline to request an informal hearing is August 11, 2021.**

Informal review hearings may be scheduled:

- Online at www.mrischedule.as.me
- By phone at 603-279-0352, Monday - Friday from 9:00 AM and 4:00 PM

Please note, when you call to schedule an appointment, staff will not be able to discuss your valuation or answer questions regarding your value.

Those unable to schedule an informal review hearing may submit information regarding their **property in writing to the Assessor, prior to August 13, 2021**, by sending materials to assessing@mrigov.com or to
