**COMMUNICATIONS:**

1. BOS question:
  - a. RD noted BOS is working on CIP recommendations and asked for comment regarding paving Beryl Mountain Road. It was noted paving the full length in 2020 showed in last year's CIP and will consume the majority of next year's road project spending. It was noted that Cold Pond Road was paved in sections and the earliest sections are beginning to need attention. There was general consensus that paving the length of Beryl Mountain Road would complete the project and allow the Town to move to other roads.

Pages for printing will be compiled with a cover letter for signing.
